### **LEGISLATORS TO INTRODUCE BILLS TO PROTECT ROE**

#### **It's part of a nationwide campaign marking the anniversary of *Roe v. Wade***

[Location] – To mark the 45th anniversary *Roe v. Wade*, lawmakers will announce that they are sponsoring legislation to protect women's access to abortion, joining a nationwide legislative campaign across XX states.

On [date] at [place], [legislator names] will announce their sponsorship of this bill in conjunction with [insert organization/leader name]. Speakers will highlight the need for such legislation as well as polling that shows 70 percent of Americans support *Roe v Wade* while wide majorities favor other proactive policies that protect, not limit, abortion rights.

Legislators will also highlight the irony that the 45<sup>th</sup> anniversary of *Roe* is occurring under the 45<sup>th</sup> President, an ardent opponent of that constitutional protection. As a result, abortion rights are threatened as never before.
