The priorities of the current administration align most with that of anti-abortion foes. On this 45th anniversary legalizing abortion, we must stand to #ProtectRoe

Abortion rights have been threatened, and we're taking the fight to #ProtectRoe to state legislatures from Maine to California

Laws need to guarantee more than just abortion access. Check out PLI's Playbook for Abortion Rights for more: [Playbook for Abortion Rights](#)

Tell Trump we won't go across state lines for an abortion— access in our own states is our right.

Abortion rights are Constitutional rights. Stand with the states introducing bills to protect abortion access and tell your legislators to join. #ProtectRoe45

Which Act from PLI's Playbook for Abortion Rights could be used in your state? Let your legislator know how best they can #ProtectRoe --> [Playbook for Abortion Rights](#)

Roe v. Wade cannot be erased from history. 45 years strong, join the fight to keep abortion legal and #ProtectRoe

States are joining the movement to take legislative action to protect a woman's right to abortion. Are you with us to #ProtectRoe?

Abortion rights are Constitutional rights. Stand with the states introducing bills to #ProtectRoe and urge your legislators to join in today! --insert slash page link/Facebook link directing users to contact legislators

Access to abortion should never be in question—and the majority of Americans believe in this right.

We cannot let the interests of a few topple our deserved progress in women's rights! Join the fight in your state for our right to choose.

Stand with women on the *Roe v. Wade's* 45th anniversary [insert slash page/Facebook page of where to find representatives]

#ProtectRoe and stand with legislators in 28 states who are fighting to protect and expand access to abortion care.

#ProtectRoe at the state level and fight back against extremists who are trying to take away the fundamental right to abortion.

I stand with the majority of Americans who believe that *Roe v. Wade* should be the law of the land. #ProtectRoe

We are one Supreme Court justice away from losing the right to abortion. #ProtectRoe at the state and local levels and ensure access to abortion care.

I stand with my state rep. [insert legislator] because in the face of this current administration, it is now up to the states to #ProtectRoe.

We are fighting back against the current extremist administration and vow to #ProtectRoe at the state and local levels.

#AbortionIsHealthCare and in order to ensure that fundamental right, we call on our state policymakers to #ProtectRoe and secure abortion access for everyone.

70% of Americans think that *Roe* should remain the law of the land. Call on your state legislators to #ProtectRoe and ensure the right to abortion.

Only 17 states protect the right to abortion, make sure your state is one of them. #ProtectRoe
